MEET THE JENKINS

ABOUT US

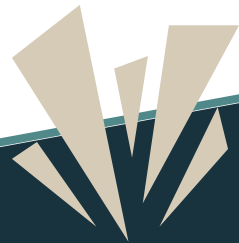

We are Tray and Eva Jenkins! I am following God's call to be the lead Pastor and church planter of PowerHouse Church along with my wife, Eva (8 years). We have 2 awesome dogs name Kipper and Miracle. We literally have a marriage that was arranged by God. We are two peas in a pod, who have experienced the goodness of God's amazing grace through His healing in our lives. We have our scars, but that has humbled us and opened our hearts to be used by God to be a blessing to others. Eva and I have a passion for every aspect of the family dynamic. We are so excited to partner with God so His bride (the Church) can be healed & restored, so she can be His light in the world.

I've had the privilege and joy of being in ministry for over 13 years; as a leader in the Singles Ministry, and later the Ministry Leader and Pastor of Celebrate Recovery at The Crossing Church; A Chaplain for Messengers of faith Ministries serving as a Biblical Instructor. Eva is also a Chaplain, and together we provide education for Marriage and family, we are members of the Adopt-A-Cop initiative for the Las Vegas Metro Police Dept., and we minister to Incarcerated Juveniles. We have a YouTube page, *Powerhouse Couple*, where we make videos to encourage marriages and singles, helping them deal with various topics. We have an outreach ministry where we minister to the homeless and needy in our community.

I have a Bachelor's degree in Psychology from U.N.L.V. and a Master of Art degree in Bible and Theology from Lincoln Christian University. I had Leadership training in the US Navy, working as an Electrician, where I proudly served my country for 10 years.

I recently retired from the Social Security Administration as a Claims Specialist to pursue God's calling for us to plant a church. Eva is a bestselling co-author of, *Faith Is*, and is the author of *Accelerate Your Faith*, and *Accelerate Your Faith Workbook*, and she is the host of the podcasts, *Repaired* and *Accelerate Your Faith*. She works as a Marriage and Family Therapist Intern at a treatment facility and has her own private practice. Eva empowers women through Mary Kay to help them build confidence in their daily lives. Eva has a Bachelor's degree in Christian Ministry and a Master's Degree in Marriage and Family Therapy from Lincoln Christian University. She is pursuing licenses in Marriage and Family therapy along with Drug, Alcohol, and Gambling.

WHY PLANT THIS CHURCH & WHY NOW

**POWERHOUSE
CHURCH**

Nevada currently has the 3rd highest divorce rate in the country with nearly 57% of marriages, of both Christians and non-Christians, ending in divorce. If marriages are broken, that means families are broken, and if families are broken, God's church is broken. It's time for marriages, families, and everyone else to be healed and restored, so God's bride, the church, can live out the Great commission, bringing forth His light in a dark world.

September 6th 2019 I had a dream, and God spoke clearly to me, by using the sign of a shovel that left in my yard by landscapers. He showed me a picture of my backyard in my dream and highlighted the shovel. Then I heard the words, "that shovel was left there by Me, as a sign to you; As this shovel was used to plant your backyard, I want you to plant a church." When I woke up I told my wife this exciting but scary news. We prayed and asked God to validate His call for us to plant a church with our Lead Pastor. And he validated God's word to us. But there was still no date to start, so we waited, and we waited, then Covid 19 happened. Then on Easter 2021 I heard from God, "9/11/2022". Psalms 127:1 says, "Unless the Lord builds the house, the builders labor in vain"... God is building this house! God has led us through this entire journey, and here we are today preparing to fulfill his will! Yea God!!

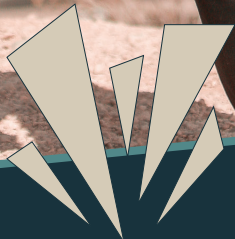

As Eva and I have different ethnic and cultural backgrounds, we envision a multi-cultural, multi-ethnic, multi-generational church that will be for everyone, and a church that will have a family atmosphere. A church where everyone will be loved and accepted with the freedom to come just as they are.

We see PowerHouse Church as a place where true and lasting transformation happens through healing and restoration in marriages, adult singles, widows and widowers, seniors, single parents, and in children. A church that is passionate about reaching the lost, the addicted, the broken, the hurting, and the needy as the hands and feet of Jesus in our church and in our community. We want to empower and encourage everyone, no matter what season of life they are in, to make the most of that season while supporting and preparing them for their next season of life. A church where kids and the next generations will be made a priority as they will have a fun and safe place to learn about Jesus.

We believe that disciples are called to be world changers, so the idea is for everyone to be equipped with the word of God through straightforward biblical teaching and raised to maturity in Christ through discipleship and accountability. A Church where Sunday services will be the pep rallies for what happens outside the church Monday-Saturday.
